## Consumer Notes:

Lots of repricings this month, just in time for the holidays! There are a bunch of DVDs too, in case you missed them: this looks like to be the year they begin to supplant VHS as the defacto delivery format. Also very important this month is that as this goes out to you, the new catalog is nearing completion (and it's HUGE!)

## JEFF'S PICK(S) OF THE MONTH

Dead easy pick: the Vampire Hunter D DVD. It's not the new, unreleased film (which I'm itching to see), but it's way cool nonetheless!
